

****The following statement was sent on behalf of Karen Avvisato, Division Manager of Athletic Services and Community Use****

Good Afternoon,

Governor Ralph Northam has lifted Virginia's universal indoor mask mandate to align with [new guidance](#) from the Centers for Disease Control and Prevention (CDC). While masks are still required in K-12 school settings, masks are not required outdoors. Masks are recommended for unvaccinated individuals.

The updates to Virginia's mask policy are reflected in amendments to Executive Order Seventy-Two and details can be [viewed online](#).

If you have questions about mask guidance, please contact NCS Athletic Services at AthleticServices@fairfaxcounty.gov or 703-324-5533.
